

## Příloha 2

**Declaration of the Mayors of partner cities of  
Várpalota, Velenje, Sosnowiec, Turin and Usti nad Labem**

We, the representatives of the European towns participating in the Central Europe Programme Project called "Take a Breath",

hereby declare to implement and respect all the provisions of the Declaration and disseminate the aims defined by the project in all areas of our activity, in particular:

1. Disseminate the results of the TAB Project and make the knowledge and experiences about methods and tools helpful in air quality improvement and the pollution negative influence on human health reduction developed in the project available to all interested bodies.
2. Continue activities defined in the project aimed at air quality management improving:
  - disseminate the air quality data and the information about harmful influence of the air pollution on human health among the local communities.
  - provide the data necessary for further functioning of the Virtual Observatory supported by the National Institute of Environmental Health (NIEH) from Hungary.
  - implement developed Adaptation Action Plans.
3. Initiate any action capable of implementation in accordance with the local authorities competence and its economic situations, that are aimed at creating for all community members conditions to live in a friendly environment.

This declaration shall enter into force on the date of its signature.
